Dear Lisa:

Attached please find a final copy of the Board Letter regarding the Status Report on Regulation XIII – New Source Review, dated September 4, 2020, that was presented to the South Coast Air Quality Management District (South Coast AQMD) Governing Board on the same date. This report was made pursuant to the requirements of Rule 1315 – Federal New Source Review Tracking System, and presents the federal Final Determination of Equivalency for January 2018 through December 2018. As such, it provides information regarding the status of Regulation XIII – New Source Review in meeting federal NSR requirements, and shows that South Coast AQMD's NSR program is in compliance with applicable federal requirements from January 2018 through December 2018.

If you have any questions regarding this report, please contact me at (909) 396-2618 or David Ono at (909) 396-2538.

Sincerely,

Amir Dejbakhsh
Deputy Executive Officer
